## *By-Laws*

*Sec.* 3. Any member may be censured, suspended, or expelled, for cause, by a vote of a majority of the Board of Governors, after notice in writing of the time and place of the hearing and a copy of the charges preferred against him shall have been sent to him by registered mail at his address upon the Secretary's books, not less than ten days before the date of the proposed hearing, and an opportunity then afforded him to be heard before the Board of Governors.

*Sec.* 4. The number of resident members shall not at any time exceed four hundred and twenty-five except by transfer from the non-resident to the resident list, made after the limit is reached.

Resident members who are absent from New Haven for twelve consecutive months or more shall be required to pay only non-resident dues during such period, provided that fractions of a year shall in no case be considered.

## *The Graduates Club*

*Sec.* 3. Any person eligible for membership, neither having a place of business in the town of New Haven nor residing in said town or any of the towns immediately contiguous thereto, may be elected as a non-resident member, and any resident member who neither resides in one of said towns nor has a place of business in the town of New Haven shall, on written notice to the Treasurer, become a non-resident member.

*Sec.* 4. Any officer of the United States Army, Navy or Marine Corps assigned to duty in this State, and eligible to membership, shall be eligible as a non-resident member though resident in one of the towns designated in Section 3 of this Article, upon condition of the payment of resident membership dues.

Members of this Association who are officers of the United States Army, Navy or Marine Corps, when ordered on service outside the limits of the United States on sea duty or when stationed at a post distant more than two hundred miles from New Haven for a period longer than one year, shall not be required to pay dues during such service.

*Sec.* 5. Non-resident members shall not be permitted to hold office or to vote at any meeting of the Association.

*Sec.* 6. Any non-resident member who shall become a resident of any of the towns designated in Section 3 of this Article, or come to have a place of business in the town of New Haven, shall notify the Treasurer, and shall become a resident member and pay the entrance fee and dues imposed upon resident members at the time of his election.

*Sec.* 7. All persons elected to membership shall, on the payment of the entrance fee and of the dues as provided for in Section 2 of this Article, become members of the Association; and the election of any candidate shall be void if he fails to make such payment within thirty days after notice of his election shall have been mailed, addressed to him at the place given as his residence on the posted list of candidates.

## *By-Laws*

---

*Sec.* 8. When the dues or other indebtedness of any member shall remain unpaid for the space of one month, the Treasurer shall cause him to be notified that unless the same shall be paid within the space of two months thereafter his membership shall cease; and the name of the member so in arrears, with the amount of his indebtedness, shall be posted in a conspicuous place in the Club House; and after the space of one month the Treasurer shall send him a second notice by registered mail, and in case such dues or other indebtedness be not paid pursuant to such notice, or such default be not accounted for to the satisfaction of the Board of Governors, he shall thereupon cease to be a member.

*Sec.* 9. The dues of the Secretary, Assistant Secretary, the Treasurer, and members of the House Committee shall be remitted.

### ARTICLE XIII.

#### **Amendments.**

These by-laws may be amended by a vote of two-thirds of the members present at a meeting of the Association regularly called and held; but no proposed amendment shall be voted upon unless a copy thereof shall have been furnished to the Secretary at least three weeks before the meeting at which action is to be taken thereon. The Secretary shall thereupon cause the proposed amendment to be printed and posted in the Club House at least two weeks beforehand, and distributed to the members with the notice of such meeting.

If the name of any candidate is announced for consideration at a meeting of the committee, and it shall appear that letters have not been received from the proposer and the seconder, the name shall be passed; and the Secretary shall immediately notify the proposer or the seconder, or both, that the nomination cannot be acted upon without proper letters of recommendation. In case no such letters are received within the interval between two regular meetings, the candidate shall be deemed withdrawn, and his name shall be dropped from the list.

## Historical

---

The Graduates Club originated in bi-weekly meetings of graduate students who during 1891 and 1892 met in their rooms. About the end of 1892, the Club found its first fixed home in the old Anketell house on Elm Street. About the time when this site was bought by the Law School for the erection of Hendrie Hall, the legal organization of the present Graduate Club Association was perfected, and March 30, 1894, the first general meeting of the Club was held at its second home, 954 Chapel Street. On December 17th, 1901, the Club authorized the purchase of the old Blake property, 77 Elm Street, and the erection of a permanent club house on this site, and on the 16th of October, 1902, the new house was opened.
